A. Voyage.

it is agreed between the party mentioned in [Box 3](#) as Owners of the vessel named in [Box 5](#) and the party mentioned as Charterers in [Box 4](#) that, the vessel, being tight, staunch and strong, and in every way fitted for the voyage, shall with all convenient speed proceed to the port(s) as specified in [Box 15](#) and there load as customary at any available quay, wharf or dock as ordered by Charterers or their Agents, or so near thereto as she may safely get and lie, always afloat, a cargo as described in [Box 17](#), and being so loaded the vessel shall therewith proceed with utmost despatch to the port(s) as specified in [Box 16](#) and there deliver the said cargo at any dock or alongside any quay or wharf as ordered on arrival or so near thereto as she may safely get without lightening and lie, always afloat. Unless otherwise specifically agreed in [Box 17](#), this Charter Party is for a full and complete cargo under deck.

B. Payment of Freight.

1. The freight at the rate stated in [Box 18](#) shall be paid in cash calculated on the intaken quantity of cargo.

2. Prepaid.

If according to [Box 19](#) freight is to be paid on shipment, it shall be deemed earned and non-returnable, vessel and/or cargo lost or not lost. Neither Owners nor their Agents shall be required to sign or endorse Bills of Lading showing freight prepaid unless the freight due to Owners has actually been paid.

3. On delivery.

If according to [Box 19](#) freight, or part thereof, is payable on delivery it shall not be deemed earned until right and true delivery has taken place. Notwithstanding the provisions under 1, if freight or part thereof is payable on delivery of the cargo Charterers shall have the option of paying the freight on delivered weight/quantity provided such option is declared before breaking bulk and the weight/quantity can be ascertained by official weighing machine, joint draft survey or tally.

C. Notice of Readiness, Commencement of Laytime.

Notice of Readiness at loading port(s) to be given to the Shippers, or if not named, to Charterers or their Agents. Notice of Readiness at discharging port(s) to be given to the Receivers or, if not known, to Charterers or their Agents.

The laytime for loading and discharging shall commence at 13.00 hours if written Notice of Readiness is given up to and including 10.00 hours and at 07.00 hours next working day if notice is given during office hours after 10.00 hours. If at loading/discharging port(s) the work be commenced earlier, half such time actually used shall count from such commencement.

D. Laytime.

1. The cargo shall be loaded and discharged within the number of running days/hours as indicated in [Box 20](#), weather permitting.

2. Unless otherwise agreed time from Friday 17.00 hours till Monday 07.00 hours and time from 17.00 hours on a day preceding a legal or local holiday till 07.00 hours next working day not to count, unless used, in which event only half time actually used to count, unless vessel is already on demurrage.

3. Time lost in waiting for berth to count as laytime. Time that would have been lost under the terms of this Charter Party if berth had been available, shall not count.

4. Time used from anchorage/waiting berth to loading/discharging berth not to count, even if vessel is already on demurrage.

E. Loading/Discharging.

The cargo shall be loaded and stowed/trimmed and discharged by Charterers at their risk and expense, under Master's supervision.

F. Cancelling.

Should the vessel not be ready to load (whether in berth or not) latest by noon on the cancelling date specified in [Box 13](#) Charterers to have the option of cancelling this Contract. Such option to be declared latest once Notice of Readiness has been given. If it appears that the vessel will be delayed beyond such cancelling date Owners shall as soon as they are in a position to state with reasonable certainty the day within which the vessel will be ready as above, give notice thereof to Charterers asking whether they will exercise their option of cancelling. Such option must be declared within 36 running hours (Saturdays, Sundays and holidays excepted) after the receipt of Owners notice. If Charterers do not then exercise their option of cancelling, unless otherwise agreed, the third day after the date stated in Owners' notice shall be regarded as a new cancelling date under this clause. Charterers exercise or non-exercise of their option to cancel shall not prejudice any claims which they may otherwise have against Owners.

G. Lien.

Owners shall have a lien on the cargo for freight, deadfreight and demurrage.

H. Owners' Responsibility.

The provisions of the international convention on Bills of Lading 1924 as amended by protocols 1968 and 1979 (the "Hague-Visby Rules") shall apply to this Contract, and Owners and Charterers are entitled to the benefit of all privileges and immunities contained therein.

In trades where the responsibility provisions of the Norwegian Maritime Code are compulsorily applicable, they shall apply to the contract. In trades where the responsibility provisions of the law of any other country are compulsorily applicable to this Contract, such provision shall apply.

In all trades cargo carried on deck and cargo in Owners' custody prior to loading and after unloading shall be subject to the same terms as above provided for cargo under deck and for the carriage itself.

I. BIMCO Liberty and Deviation Clause for Contracts of Carriage

(a) The Vessel shall have liberty to sail with or without pilots, to tow or go to the assistance of vessels in distress, to deviate for the purposes of saving life or property, and for any other reasonable purpose, which term shall include but not be limited to calling at any port or place for bunkers; taking on board spares, stores or supplies; repairs to the vessel necessary for the safe continuation of the voyage; crew changes; landing of stowaways; medical emergencies and ballast water exchange.

(b) If the Charterer requests any deviation for the Charterer's purposes and the Owners consent, such consent to be at the absolute discretion of the Owners, the Charterer shall indemnify the Owners against any and all claims whatsoever brought by the owners of the cargo and/or the holders of Bills of Lading against the Owners by reason of such deviation.

(c) Prior to giving any such consent the Owners may, at their option, require to be satisfied amongst other things that the Charterer has sufficient and appropriate P&I Club cover and/or if necessary, other additional insurance cover, in respect of such a requested deviation,

(d) This Clause shall be incorporated into any sub-charter and any bill of lading issued pursuant hereto.

Deviation.

~~Any deviation in saving or attempting to save life or property at sea, or any reasonable deviation, shall not be deemed to be an~~

~~infringement of this Charter Party, and Owners shall not be liable for any loss or damage resulting therefrom.~~

J. Misrepresentation.

If any misrepresentation has been made regarding the description of the vessel in this Charter Party and/or her position, Charterers have the right to claim compensation for any loss or damage resulting therefrom. Should there be any change in the vessel's ETA as stated in [Box 11](#), Owners to notify Charterers and Shippers (if known) thereof by telex/telegram as soon as such change becomes known to them. If such notification is not given, Charterers have the right to claim compensation for any loss or damage resulting therefrom.

K. Strikes.

1. Neither Charterers nor Owners are responsible for the consequences of any strike or lock-out preventing or delaying the fulfilment of any obligations under this Contract.

2. If there is a strike or lock-out affecting or preventing the actual loading of the cargo, or any part of it, when the vessel is ready to proceed from her last port to the port of loading or at any time during the voyage to the port of loading or after her arrival there, Charterers shall have the option of cancelling this Charter Party. If there is such strike or lock-out when the vessel is ready to proceed from her last port, or if such strike or lock-out occurs at any time thereafter, Owners may ask Charterers whether they will exercise their option of cancelling or declare that they agree to count the laytime as if there were no strike or lock-out. Unless Charterers have thereafter given notice of cancelling or such declaration in writing (by telex/telegram, if necessary) within 24 hours after the Master or Owners have given notice to Charterers of the strike or lock-out, Owners shall have the option of cancelling this Charter Party. If part of the cargo has already been loaded when the strike or lock-out starts, Owners must proceed with same if requested by Charterers, Owners being at liberty to complete with other cargo on the way for their own account. The completing cargo must be stowed safely and in such a way that it does not endanger the packing or contents of any part of the cargo shipped under this Charter Party.

3. If there is a strike or lock-out affecting or preventing the actual discharging of the cargo at the time the vessel arrives at port of discharge, or breaking out after the vessel's arrival, Charterers shall have the option of keeping the vessel waiting until such strike or lock-out is at an end against paying half demurrage after expiration of the time provided for discharging until the strike or lock-out terminates, and thereafter full demurrage shall be payable until the completion of discharging, or of ordering the vessel to a safe port where she can safely discharge her cargo without risk of being detained by strike or lock-out. Such orders to be given within 48 hours after Charterers' receipt of Master's or Owners' notice of the strike or lock-out. On delivery of the cargo at such port, all conditions of the Bill of Lading shall apply and the vessel shall receive the same freight as if she had discharged at the original port of destination, except that if the distance to the substituted port exceeds 100 nautical miles, the freight on the cargo delivered at the substituted port to be increased in proportion.

L. BIMCO Ice Clause for Voyage Charter Parties

The Vessel shall not be obliged to force ice but, subject to the Owners' approval having due regard to its size, construction and class, may follow ice-breakers.

(a) Port of Loading

(i) If at any time after setting out on the approach voyage the Vessel's passage is impeded by ice, or if on arrival the loading port is

100 inaccessible by reason of ice, the Master or Owners shall notify the
101 Charterers thereof and request them to nominate a safe and
accessible alternative port.

102
103 If the Charterers fail within 48 running hours, Sundays and holidays
104 included, to make such nomination or agree to reckon laytime as if
105 the port named in the contract were accessible or declare that they
106 cancel the Charter Party, the Owners shall have the option of
107 cancelling the Charter Party. In the event of cancellation by either
108 party, the Charterers shall compensate the Owners for all proven
109 loss of earnings under this Charter Party.

110
111 (ii) If at any loading port the Master considers that there is a danger
112 of the Vessel being frozen in, and provided that the Master or
113 Owners immediately notify the Charterers thereof, the Vessel may
114 leave with cargo loaded on board and proceed to the nearest safe
115 and ice free place and there await the Charterers' nomination of a
safe and accessible alternative port within 24 running hours,
Sundays and holidays excluded, of the Master's or Owners'
notification. **If the Charterers fail to nominate such alternative
port, the vessel may proceed to any port(s), whether or not on
the customary route for the chartered voyage, to complete with
cargo for the Owners' account.***

(b) Port of Discharge

116
117 (i) If the voyage to the discharging port is impeded by ice, or if on
118 arrival the discharging port is inaccessible by reason of ice, the
119 Master or Owners shall notify the Charterers thereof. In such case,
120 the Charterers shall have the option of keeping the Vessel waiting
121 until the port is accessible against paying compensation in an
122 amount equivalent to the rate of demurrage or of ordering the Vessel
123 to a safe and accessible alternative port.

124
125 If the Charterers fail to make such declaration within 48 running
126 hours, Sundays and holidays included, of the Master or Owners
127 having given notice to the Charterers, the Master may proceed
128 without further notice to the nearest safe and accessible port and
129 there discharge the cargo.

130
131 (ii) If at any discharging port the Master considers that there is a
132 danger of the Vessel being frozen in, and provided that the Master or
133 Owners immediately notify the Charterers thereof, the Vessel may
134 leave with cargo remaining on board and proceed to the nearest safe
135 and ice free place and there await the Charterers' nomination of a
136 safe and accessible alternative port within 24 running hours,
Sundays and holidays excluded, of the Master's or Owners'
notification. If the Charterers fail to nominate such alternative port,
the vessel may proceed to the nearest safe and accessible port and
there discharge the remaining cargo.

137
138 (iii) On delivery of the cargo other than at the port(s) named in the
139 contract, all conditions of the Bill of Lading shall apply and the Vessel
140 shall receive the same freight as if discharge had been at the original
141 port(s) of destination, except that if the distance of the substituted
142 port(s) exceeds 100 nautical miles, the freight on the cargo delivered
143 at the substituted port(s) shall be increased proportionately.

144
145 * Note: In trades where the terms and conditions of the charter party
146 are not incorporated into the bill(s) of lading, such bill(s) must contain
147 an express statement permitting the vessel to complete with cargo at
148 alternative port(s), whether or not on the customary route for the
149 chartered voyage.

~~ice.~~

~~Port of loading.~~

~~1. In the event of the loading port being inaccessible by reason of~~

155

156

~~ice when the vessel is ready to proceed from her last port or at any time during the voyage or on the vessel's arrival, Charterers shall have the option of cancelling this Charter Party, or of ordering the vessel to an adjacent accessible port where she can safely load the cargo under this Charter Party. In the event of the loading port being inaccessible by reason of ice when the vessel is ready to proceed from her last port, or if such inaccessibility should occur at any time during the voyage or on the vessel's arrival, Owners may ask Charterers whether they will exercise their option of cancelling or of ordering the vessel to a safe, adjacent accessible port. Unless Charterers have thereafter given notice of cancellation or ordered such alternative port in writing (by telex/telegram, if necessary) within 24 hours, Owners shall have the option of cancelling this Charter Party. Should this Charter Party not be cancelled by either party, Charterers shall keep the vessel waiting against paying demurrage until the port is again accessible.~~

~~2. If during loading the Master, for fear of the vessel being frozen in, deems it advisable to leave, he has liberty to leave the area being ice-bound after having notified Charterers thereof. Charterers shall have the option of keeping the vessel waiting against paying demurrage (vessel to be anchored in open water) until the port of loading is again accessible, or of ordering the vessel to proceed with what cargo she has on board, Owners being at liberty to complete with other cargo on the way for their own account. Such orders to be given within 48 hours after Charterers' receipt of Master's notice of leaving the area being ice-bound. If the vessel is ordered to proceed, any cargo thus loaded under this Charter Party to be forwarded to destination at the vessel's expense, but against payment of freight, provided that no extra expenses be thereby caused to Charterers, freight being paid on quantity delivered (in proportion if lumpsum), all other conditions as per this Charter Party.~~

Port of discharge.

~~1. Should ice prevent the vessel from reaching port of discharge, Charterers shall have the option of keeping the vessel waiting until the reopening of navigation and paying demurrage, or of ordering the vessel to a safe and immediately accessible port where she can safely discharge without risk of detention by ice. Such orders to be given within 48 hours after Charterers' receipt of Master's or Owners' notice of the impossibility of reaching port of destination.~~

~~2. If during discharging the Master, for fear of the vessel being frozen in, deems it advisable to leave, he has liberty to leave the area being ice-bound after having notified Charterers thereof. Charterers shall have the option of keeping the vessel waiting against paying demurrage (vessel to be anchored in open water) until the port of discharge is again accessible, or of ordering the vessel to an accessible adjacent port where she can safely discharge without risk of detention by ice. Such orders to be given 48 hours after Charterers' receipt of Master's notice of leaving the area being ice-bound.~~

~~3. On delivery of the cargo at such port, all conditions of the Bill of Lading shall apply and the vessel shall receive the same freight as if she had discharged at the original port of destination, except that if the distance to the substituted port exceeds 100 nautical miles, the freight on the cargo delivered at the substituted port to be increased in proportion.~~

M. BIMCO VOYWAR 2013

War Risks Clause for Voyage Chartering

(a) For the purpose of this Clause, the words:

157 (i) "Owners" shall include the shipowners, bareboat charterers,
158 disponent owners, managers or other operators who are charged
159 with the management of the Vessel, and the Master; and

160 (ii) "War Risks" shall include any actual, threatened or reported:

161 War, act of war, civil war or hostilities; revolution; rebellion; civil
162 commotion; warlike operations; laying of mines; acts of piracy and/or
163 violent robbery and/or capture/seizure (hereinafter "Piracy"); acts of
164 terrorists; acts of hostility or malicious damage; blockades (whether
165 imposed against all vessels or imposed selectively against vessels of
166 certain flags or ownership, or against certain cargoes or crews or
167 otherwise howsoever), by any person, body, terrorist or political
168 group, or the government of any state or territory whether recognised
169 or not, which, in the reasonable judgement of the Master and/or the
170 Owners, may be dangerous or may become dangerous to the
171 Vessel, cargo, crew or other persons on board the Vessel.

172 (b) If at any time before the Vessel commences loading, it appears
173 that, in the reasonable judgement of the Master and/or the Owners,
174 performance of the Contract of Carriage, or any part of it, may
175 expose the Vessel, cargo, crew or other persons on board the
176 Vessel to War Risks, the Owners may give notice to the Charterers
177 cancelling this Contract of Carriage, or may refuse to perform such
178 part of it as may expose the Vessel, cargo, crew or other persons on
179 board the Vessel to War Risks; provided always that if this Contract
180 of Carriage provides that loading or discharging is to take place
181 within a range of ports, and at the port or ports nominated by the
182 Charterers the Vessel, cargo, crew, or other persons on board the
183 Vessel may be exposed to War Risks, the Owners shall first require
184 the Charterers to nominate any other safe port which lies within the
185 range for loading or discharging, and may only cancel this Contract
186 of Carriage if the Charterers shall not have nominated such safe port
187 or ports within 48 hours of receipt of notice of such requirement.

188 (c) The Owners shall not be required to continue to load cargo for
189 any voyage, or to sign bills of lading, waybills or other documents
190 evidencing contracts of carriage for any port or place, or to proceed
191 or continue on any voyage, or on any part thereof, or to proceed
192 through any canal or waterway, or to proceed to or remain at any
193 port or place whatsoever, where it appears, either after the loading of
194 the cargo commences, or at any stage of the voyage thereafter
195 before the discharge of the cargo is completed, that, in the
196 reasonable judgement of the Master and/or the Owners, the Vessel,
197 cargo, crew or other persons on board the Vessel may be exposed
198 to War Risks. If it should so appear, the Owners may by notice
199 request the Charterers to nominate a safe port for the discharge of
200 the cargo or any part thereof, and if within 48 hours of the receipt of
201 such notice, the Charterers shall not have nominated such a port, the
202 Owners may discharge the cargo at any safe port of their choice
203 (including the port of loading) in complete fulfilment of the Contract of
204 Carriage. The Owners shall be entitled to recover from the
205 Charterers the extra expenses of such discharge and, if the
206 discharge takes place at any port other than the loading port, to
207 receive the full freight as though the cargo had been carried to the
208 discharging port and if the extra distance exceeds 100 miles, to
209 additional freight which shall be the same percentage of the freight
210 contracted for as the percentage which the extra distance represents
211 to the distance of the normal and customary route, the Owners
212 having a lien on the cargo for such expenses and freight.

213 (d) If at any stage of the voyage after the loading of the cargo
214 commences, it appears that, in the reasonable judgement of the
215 Master and/or the Owners, the Vessel, cargo, crew or other persons
216 on board the Vessel may be exposed to War Risks on any part of the
217 route (including any canal or waterway) which is normally and

customarily used in a voyage of the nature contracted for, and there is another longer route to the discharging port, the Owners shall give notice to the Charterers that this route will be taken. In this event the Owners shall be entitled, if the total extra distance exceeds 100 miles, to additional freight which shall be the same percentage of the freight contracted for as the percentage which the extra distance represents to the distance of the normal and customary route.

(e) (i) The Owners may effect War Risks insurance in respect of the Vessel and any additional insurances that Owners reasonably require in connection with War Risks and the premiums therefor shall be for their account.

(ii) If, pursuant to the Charterers' orders, or in order to fulfil the Owners' obligation under this Charter Party, the Vessel proceeds to or through any area or areas exposed to War Risks, the Charterers shall reimburse to the Owners any additional premiums required by the Owners' insurers. If the Vessel discharges all of her cargo within an area subject to additional premiums as herein set forth, the Charterers shall further reimburse the Owners for the actual additional premiums paid from completion of discharge until the Vessel leaves such area or areas. The Owners shall leave the area or areas as soon as possible after completion of discharge.

(iii) All payments arising under this Sub-clause (e) shall be settled within fifteen (15) days of receipt of Owners' supported invoices.

(f) The Vessel shall have liberty:

(i) to comply with all orders, directions, recommendations or advice as to departure, arrival, routes, sailing in convoy, ports of call, stoppages, destinations, discharge of cargo, delivery, or in any other way whatsoever, which are given by the government of the nation under whose flag the Vessel sails, or other government to whose laws the Owners are subject, or any other government of any state or territory whether recognised or not, body or group whatsoever acting with the power to compel compliance with their orders or directions;

(ii) to comply with the requirements of the Owners' insurers under the terms of the Vessel's insurance(s);

(iii) to comply with the terms of any resolution of the Security Council of the United Nations, the effective orders of any other Supranational body which has the right to issue and give the same, and with national laws aimed at enforcing the same to which the Owners are subject, and to obey the orders and directions of those who are charged with their enforcement;

(iv) to discharge at any alternative port any cargo or part thereof which may expose the Vessel to being held liable as a contraband carrier;

(v) to call at any alternative port to change the crew or any part thereof or other persons on board the Vessel when there is reason to believe that they may be subject to internment, imprisonment, detention or similar measures;

(vi) where cargo has not been loaded or has been discharged by the Owners under any provisions of this Clause, to load other cargo for the Owners' own benefit and carry it to any other port or ports whatsoever, whether backwards or forwards or in a contrary direction to the ordinary or customary route.

(g) The Charterers shall indemnify the Owners for claims arising out of the Vessel proceeding in accordance with any of the provisions of

Sub-clauses (b) to (f) which are made under any bills of lading, waybills or other documents evidencing contracts of carriage.

When acting in accordance with any of the provisions of Sub-clauses (b) to (f) of this Clause anything is done or not done, such shall not be deemed to be a deviation, but shall be considered as due fulfilment of the Contract of Carriage.

War Risks ("Voywar 1993").

1. For the purpose of this Clause, the words:

(a) "~~Owners~~" shall include ~~the shipowners, bareboat charterers, disponent owners, managers or other operators who are charged with the management of the vessel, and the Master; and~~

(b) "~~War Risks~~" shall include ~~any war (whether actual or threatened), act of war, civil war, hostilities, revolution, rebellion, civil commotion, warlike operations, the laying of mines (whether actual or reported), acts of piracy, acts of terrorists, acts of hostility or malicious damage, blockades (whether imposed against all vessels or imposed selectively against vessels of certain flags or ownership, or against certain cargoes or crews or otherwise howsoever), by any person, body, terrorist or political group, or the Government of any state whatsoever, which, in the reasonable judgement of the Master and/or Owners, may be dangerous or are likely to be or to become dangerous to the vessel, her cargo, crew or other persons on board the vessel.~~

2. ~~If at any time before the vessel commences loading, it appears that in the reasonable judgement of the Master and/or Owners, performance of the Contract of Carriage, or any part of it, may expose, or is likely to expose, the vessel, her cargo, crew or other persons on board the vessel to War Risks, Owners may give notice to Charterers cancelling this Contract of Carriage, or may refuse to perform such part of it as may expose, or may be likely to expose, the vessel, her cargo, crew or other persons on board the vessel to War Risks; provided always that if this Contract of Carriage provides that loading or discharging is to take place within a range of ports and at the port or ports nominated by Charterers the vessel, her cargo, crew, or other persons on board the vessel may be exposed, or may be likely to be exposed, to War Risks, Owners shall first require Charterers to nominate any other safe port which lies within the range for loading or discharging, and may only cancel this Contract of Carriage if Charterers shall not have nominated such safe port or ports within 48 hours of receipt of notice of such requirement.~~

3. ~~Owners shall not be required to continue to load cargo for any voyage, or to sign Bills of Lading for any port or place, or to proceed or continue on any voyage, or on any part thereof, or to proceed through any canal or waterway, or to proceed to or remain at any port or place whatsoever, where it appears, either after the loading of the cargo commences, or at any stage of the voyage thereafter before the discharge of the cargo is completed, that, in the reasonable judgement of the Master and/or Owners, the vessel, her cargo (or any part thereof), crew or other persons on board the vessel (or any one or more of them) may be, or are likely to be, exposed to War Risks. If it should so appear, Owners may by notice request Charterers to nominate a safe port for the discharge of the cargo or any part thereof, and if within 48 hours of the receipt of such notice, Charterers shall not have nominated such a port, Owners may discharge the cargo at any safe port of their choice (including the port of loading) in complete fulfilment of the Contract of Carriage. Owners shall be entitled to recover from Charterers the extra expenses of such discharge and, if the discharge takes place at any port other than the loading port, to receive the full freight as though the cargo had been carried to the discharging port and if the extra distance exceeds 100 miles, to additional freight which shall be the same percentage of the freight contracted for as the percentage which the extra distance~~
